

Experienced Farm Mechanic
Permanent Position

Job Title: Experienced Farm Mechanic

Company: Turf World Limited

Location: Coven, Wolverhampton

Pay: £30,000 - £35,000

Job Type: Full-Time Permanent

About Us:

Turf World Limited is a leading supplier of high-quality turf and landscaping products, committed to providing excellent customer service and sustainable practices. We pride ourselves on maintaining a professional and efficient team to support our operations and deliver outstanding results. We are currently seeking a skilled and experienced Farm Mechanic to join our dynamic team.

Job Summary:

Turf World is seeking a reliable and experienced Farm Mechanic to join our team on a full-time, permanent basis. This is a hands-on role working across a diverse and busy farming operation. You'll be responsible for maintaining and repairing a wide range of agricultural equipment, both in our on-site workshop and out in the field. You'll attend machinery breakdowns, carry out scheduled servicing and routine maintenance, and help ensure our fleet runs smoothly year-round.

Our Machinery Fleet Includes:

- Tractors, harvesters, and sprayers
- Trailers and other farm implements
- JCB telehandlers and forklifts
- Moffett's and lorries
- Various other agricultural machinery and equipment

Key Responsibilities:

- Diagnose faults and carry out repairs on machinery both in the workshop and off-site
- Respond to equipment breakdowns quickly and effectively
- Perform scheduled servicing, preventative maintenance, and MOT preparation
- Keep accurate records of all work completed
- Manage and prioritise daily workloads efficiently
- Source and order spare parts and components cost-effectively
- Assist with general farm duties during peak periods
- Ensure all work complies with health and safety regulations

Turfworld Limited registered in England No 5248568

What We're Looking For:

- Proven experience in a mechanical role with a wide range of machinery
- Experience with agricultural or heavy plant machinery preferred but not essential
- Confident in diagnosing faults and problem-solving
- Ability to work independently and manage your workload
- A positive, proactive attitude and a strong work ethic
- Good teamwork and communication skills
- Welding experience is a bonus
- Full UK driving licence required
- Experience operating farm machinery and forklifts is advantageous

What We Offer:

- Competitive salary: £30,000 – £35,000 per year (depending on experience)
- Full-time, permanent role with job security
- Company works van provided (to remain on-site overnight)
- Opportunity to work on a varied and modern machinery fleet
- Supportive working environment within a well-established farming business

To Apply:

Please send us your CV and a brief cover letter outlining your relevant experience.

How to Apply:

Please submit your CV and a cover letter outlining your relevant experience and why you'd be a great fit for Turf World Limited to Charlotte Jones. Applications will be reviewed on a rolling basis, and we encourage you to apply as soon as possible.
